Dexterity® 13-gauge High-viz Polyester with Microfinish-grip Foam-Latex Palm Coat

Dexterity® gloves are a fine, 13-gauge polyester knit. High-visibility lime green increases safety on the job.

Featuring two layers of textured microfinish latex, applied while glove is stretched over an ergonomic hand form, for an excellent wet/dry grip. Poly knit wicks moisture away from hands.

PVC, or polyvinyl chloride, is a thermoplastic polymer of urethane that resists many chemicals, oils, greases, acids, caustics, solvents, oxidation and ozone. It also provides great abrasion resistance and tensile strength. Two-piece, absorbent cotton interlock liner coated with a thick layer of flexible PVC, for a glove that provides protection in a wide range of applications.
